H2S HACK2SKILL

BUILDATHON 2025

Certificate Of Participation

proudly presented to

Akshat Tripathi

has successfully built and shipped a functional application during dreamflow Buildathon 2025.
This credential recognizes the builder's proficiency in leveraging the dreamflow ecosystem to architect, design, and deploy app solutions. By crossing the finish line, the recipient has demonstrated the technical grit and innovative spirit required of the modern app developer.

Certificate ID: 2026H2S02DFLOW-P00630
